Summary Information

Another Campbell Valley Fun Day has come and gone. Thank you to all those who came out and participated in/supported the event. It was great to see everyone! This year's Fun Day was a slightly different format. Each driver had a time slot with a mini lesson and opportunities to practice what they learned! Thank you to Lorraine Yates for coming down to be our Official and providing all the instruction! Campbell Valley was gracious and had the field all mowed and the water hazard filled. We had access to the entire field area and everyone had fun with the water hazard!

A few people come by; a couple of new drivers to watch and some just interested to see what was going on.

Briefly describe your event, its purpose and some highlights, e.g. what is special about your event?

Please let us know who volunteered at your event.

Everyone participating in the event as well as some who were unable to participate this year pitched in to help with set up/tear down and everything in between. Thank you always for your support! Thank you to Frances for organizing this year. Great job!
